Product: Perforated Metal

Pattern: Blox

Build your perfect perforated metal design with Blox, a versatile and playful brick-effect pattern that can be flipped over to reverse the 3D effect.

This pattern can be customised for your project specification.

Customisation options:

– **Design scale:** Increase or decrease the pattern, depending on panel size

– **Hole size:** Enlarge or reduce the perforations to achieve the required open area percentage

– **Finishes:** Add a finish, from powder-coated colour to special coatings that increase longevity and weather resistance.
