Product: Perforated Metal

Pattern: Haze

A visually striking pattern range, Haze's blurry outlines create interest and intrigue for every type of application.

This pattern can be customised for your project specification. Opt for a soft square ombre design, or a bold or light grid effect.

Customisation options:

- **Design scale:** Increase or decrease the pattern, depending on panel size
- **Hole size:** Enlarge or reduce the perforations to achieve the required open area percentage
- **Finishes:** Add a finish, from powder-coated colour to special coatings that increase longevity and weather resistance.
