Product: Perforated Metal

Pattern: Oriental

Exotic geometrics are the hallmark of Oriental's abstract designs. Choose a modern and contemporary overlapped design or opt for perfect pattern symmetry.

This pattern can be customised for your project specification.

Customisation options:

- Design scale:** Increase or decrease the pattern, depending on panel size

- Hole size:** Enlarge or reduce the perforations to achieve the required open area percentage

- Finishes:** Add a finish, from powder-coated colour to special coatings that increase longevity and weather resistance.
