W www.arrowmetal.com.au ABN 41 607 785 982

Product: **Perforated Metal**

Pattern: **Node**

Node is a precise, contemporary perforated pattern that balances controlled transparency with visual depth.

Its grid of circular apertures, framed by smaller perforations, creates a refined interplay of light and shadow – ideal for façades, screens, and interior applications where performance meets design clarity.

Open Area: 30%
